

## **Public Hearing**

### **Monday, June 1, 2020**

These minutes were recorded by Angela Rizzitano, Secretary. Also present were Matt Sawyer Jr., Town Administrator, T.J. Eldridge, Public Works Director, Brewster Vittum, Transfer Station Supervisor. The meeting was held in the Bub Avery Gymnasium at Town Hall.

Chairman M. Eldridge opened the Public Hearing at 5:02 PM to discuss the Transfer Station fee schedule.

#### **Discussion:**

T.J. Eldridge, Public Works Director, and Brewster Vittum, Transfer Station Supervisor, discussed increasing the Transfer Station fees due to higher costs to dispose of trash. They advised that they have spoken to other Transfer Stations to compare pricing and the increases will still be lower than most of the surrounding Towns. Most increases will be for construction debris or large household items. They also advised a proposed increase to dump stickers from \$10.00 for 2 years to \$20.00 for 2 years starting in January 2021. Dallas Emery thinks the dump stickers should be free to tax payers. T.J. advised that stickers programs are essential to ensure that out of towners aren't dumping too much while visiting the Town of Ossipee. Discussion ensued.

Chairman M. Eldridge made a motion to accept the new Transfer Station fees. Smith seconded. A unanimous vote was taken.

#### **Adjournment:**

Being no further input, Simpson made a motion to adjourn. M. Eldridge seconded.

Adjourned at 5:15 PM.
