A regular entertainer for the Ossipee Recreation Department, and a New England favorite, magician BJ Hickman is one of the busiest magicians in America. He keeps people entertained at festivals, art centers, theaters, educational school assemblies, special events throughout New England to speaking presentations throughout the United States.

Thursday, July 19th – Little Red Wagon Performing: Through the Door: a Journey through Fairy Tales by the Brothers Grimm.

6:00 at the Gazebo (*Town Hall if there is inclement weather)

So many stories and so little time! Each time the door opens a new story begins. Follow the characters from all of the fairy tales you know and love and perhaps a couple you don't. Most reimagined in ways you wouldn't expect. A fast paced play sure to enchant audiences this summer!
