

Ossipee Water and Sewer Department

Workshop/Meeting

February 22, 2016

Commissioner Kwiatkowski opened the workshop at 3:30 PM. Present was Commissioner DeWitte, Commissioner Loud, Wayne Eldridge, and Doreen McAuliffe, taking the minutes. Commissioner Loud and Commissioner DeWitte signed the checks and all the commissioners signed the abatement for Kristin Carly at 39 Ossipee Mountain Rd., Ctr. Ossipee for \$11.78.

Wayne suggested that we increase the water base fee for customers that have a business or uses a lot of water per the meter size. Commissioner Kwiatkowski suggested that Wayne go out with the list that Doreen has provided them with and write down the size of the meter before we discuss the increases amounts. Commissioner DeWitte agreed.

Wayne suggested that we have the haulers dump the restaurants and gas stations septic in a separate lagoon away from the residential septic and charge extra for dumping because of the grease. Commissioner Kwiatkowski said that we will discuss these again at our monthly meeting on March 7, 2016.

The workshop meeting adjourned at 4:22 PM.
