Old Business

Ron has set up a meeting with Jim Rines to work on identifying the mountains in the Windows view. Paint cans still need to be removed; now it will be a spring project.

Windows logging – Ralph Buchanan is meeting with Rich Gerard and the two adjacent landowners on Saturday January 12 at 12:00noon.

Wildlife Action Plan – Bob Gillette still has the document to edit.

Patten easements – Ron contacted the Attorney General's office. They are waiting for the response from the rest of the towns.

Money for milfoil eradication will be on the Town Warrant

New Business

Lynn said that the application for the Lake Host Grant should be on the website in February.

Lynn has put together a calendar for 2013 for commission activities and responsibilities. The secretary will put together a list of properties with easements that need to be inspected annually to put on the calendar. She also wrote a letter to the other conservation commissions in the area to encourage working together.

The Fish & Game program on Black Bears is scheduled for March 28 at 6:00PM at the library.
