Dedication

This year we would like to dedicate this Town Report to the Emergency Responders for our Town and community.

In this world today, with all of the issues at hand, our Emergency Responders are incredible; they work for all of us. They always demonstrate total dedication and professionalism to our community, they are always there, day/night, 24-7 to respond to any incident that arises. In today's environment, these brave men and women always respond into danger whereas most of us want to go away from danger.

Therefore, we are proud to dedicate Ossipee's Town Report for 2016 to the following:

Ossipee Police Department
Center Ossipee Fire Department
Ossipee Corner Fire Department
West Ossipee Fire Department
Ossipee Forest Fire Department
Care Plus Ambulance Service

It is with heartfelt thanks that we thank you for your caring and professional service to our Town and community.

Citizen of the Year 2016

Robert W. Morin

It is with great pleasure that the residents of the Town of Ossipee present Robert (Bob) W. Morin with the annual award of "Citizen of the Year" for 2016.

Bob has been a resident of the Town of Ossipee since 1998 following his retirement as a postal carrier for twenty-nine years in the City of Manchester, NH. Prior to his duties as mail carrier, Bob attended St. Anselm College, and later joined the United States Air Force. He served at Pease Air Force Base during the Cuban Missile Crisis, and later became disabled with an eye injury, underwent eye surgery, and was re-stationed to the Island of Guam during the beginning of the Vietnam War. Following his discharge in California, he returned to Bedford, NH where he worked for the Somersworth Free Press, and then as the Pressman for Royal Business Forms in Nashua for eight years until 1968.

Bob met a lifelong friend in Ray Patten during that time; hunting, fishing, snowshoeing, canoeing, and camping outdoors winter and summer, often in Conway, NH. Bob, Ray and brother, Richard, stayed close through the years.

It was following his move to Granite in Ossipee that Bob became interested in serving his community in a variety of ways. He served on the Town of Ossipee's Budget Committee representing the Ossipee Corner Fire Department, and has for years, served as a volunteer member of the Friends of the Ossipee Public Library. Thanks to his microphonic, vocal attribute, and his enjoyment of people, Bob regularly calls penny sales and silent auctions for RSVP (Retired Senior Volunteer Program), the Old Home Week Committee, the Ossipee Main Street Program, and for Ossipee Concerned Citizens, Inc.

For nearly two decades, Bob has served as a member of the Board of Directors of Ossipee Concerned Citizens, Inc. (OCC), and for the past five years, served as Secretary, an Executive Board position. His support for the agency, and the love of his Town and its people has been unwavering.

What stands out for the many who know him is perhaps his laugh, sense of humor, his dedication to the positions for which he volunteers, and his rare ability to find the best in everyone he meets.

It is for these reasons, that the Town of Ossipee is pleased to present the award of "Citizen of the Year" for 2016 to Robert W. Morin.

Employee of the Year 2015

Elaine M. Sherman

The Ossipee “Employee of the Year” for the year 2015 is bestowed upon Elaine M. Sherman with great pride and appreciation.

Elaine began her employment with the Town of Ossipee as Bookkeeper in January of 2011. She spent the first few years taking advantage of as much training as possible to better understand her role in municipal government and the software she works with on a daily basis. In 2015, she was promoted to the more appropriately assigned position of Finance and Benefits Administrator.

Elaine is a very valued employee of the Town of Ossipee. Her input and willingness to take on additional tasks demonstrates that she embraces working in a team environment. She is always there with answers when any employee has a question and she handles all inquiries in a professional manner and with the utmost confidence. Elaine is very thorough with her work and meets all required deadlines with ease. She also takes on every challenge assigned to her and follows it through to its completion.

It is with great pride and pleasure that we the Board of Selectmen, Town Employees, and our Townspeople honor Elaine M. Sherman with the award of “Employee of the Year for 2015”.

Dedicated to Ossipee Selectmen

Election Minutes
Presidential Primary Election Minutes
February 9, 2016
8:00 am — 7:00 pm

Moderator Katy Meserve introduced Rev. James Waugh who gave the invocation. Moderator Meserve then called the Presidential Primary to order at 8:00 am. Moderator Meserve asked everyone to join her in the Pledge of Allegiance and then displayed the Accu Vote ballot box for all to see that it was empty. Moderator Meserve announced that the absentee ballots would start to be processed at 11:00 am. There was a steady turnout throughout the day. At 11:00 am, we started processing the 145 absentee ballots and finished at 12:30 pm. Moderator Meserve went outside at 6:55 pm to let anyone who was outside know that the polls would be closing at 7:00 pm. At 7:00 pm, Moderator Meserve declared the polls closed; we ran the Accu Vote Machine tapes for her to read the unofficial results to the audience in attendance.

The Ballot Clerks were Cathy Clay, Natalie V. Hall, and Linda White. Jennifer Delaney, Stephanie Milligan, Sandra Robinson and Susan Simpson were Ballot Clerks Pro Tems. The Supervisors of the Checklist were Janice Tully, Jane Goodwin and Jane ter Kuile.

Respectfully submitted,
Kellie J. Skehan
Town Clerk

TOWN MEETING
MARCH 9, 2016

Moderator Meserve asked that everyone take their seats, so that we could get started. Moderator Meserve then introduced Rev. Waugh who asked that everyone stand during the invocation. After the invocation Moderator Meserve asked that everyone remain standing to join her in the Pledge of Allegiance.

Moderator Meserve asked that everyone check their cell phone to make sure they are either on vibrate or turned off. She stated that everyone should have checked in with the ballot clerks and should have picked up a Town Report and a voter placard. Moderator Meserve stated that if at any time you find any errors or omissions, please bring them to the attention of Kellie Skehan, Town Clerk. Moderator Meserve asked if there was any non-voters who wished to speak at this meeting, if they would state their names and which article they will be speaking on.

Chief Eldridge – Police Department – Article #3

Jen Berkowitz – Schools Out Program – Article #3

Brad Harriman – any articles that would pertain to public works.

Ellen White – any revenues or Warrant Articles.

Barbara Loughman – to speak on any legal issue

Moderator Meserve then started with introductions: Kellie Skehan, Town Clerk/Tax Collector; Robert Freeman, Selectman; Frank Riley, Selectman; Richard Morgan, Chairman of Selectmen; Ellen White, Town Administrator; Brad Harriman, Public Works Director; Legal Counsel, Barbara Loughman.

Moderator Meserve then introduced Joe Goss – Budget Committee, Chairman, who then introduced the rest of the committee: Julie Rosiak, Marie McConarty, Jonathan Smith, Tom Kondrat, Lynne Parker, and Kathleen Maloney.

Moderator Meserve then announced that all newly elected officers will be sworn in on Monday, March 14, at the Town Hall at 5:00 p.m.

Moderator Meserve then read the results of the Town Election that took place on March 8.

Selectman – R. Christopher Templeton, 87 votes and Richard Morgan, 255 votes.

Moderator – Katy Meserve, 316 votes.

Town Clerk/Tax Collector – Kellie J. Skehan, 338 votes.

Trustee of the Trust Funds – Rick St. Jean, 273 votes.

Cemetery Trustee – Cole Perry, 287 votes.

Library Trustee – Judy E. Perry, 289 votes.

Supervisors of the Checklist – Cynthia E. Harris, 302 votes

Budget Committee Member 3 yrs – Jonathan H. Smith, 275 votes.

Budget Committee Member 2 yrs – Donna Gridley, 281 votes

Planning Board Member – Condict M. Billings, 173 votes; Dennis E. Legendre, 207 votes; Rick St. Jean, 148 votes.

Water/Sewer Commissioner – Roger ter Kuile, 196 votes; Rick St. Jean, 100 votes.

Zoning Board of Adjustment Member – Roger ter Kuile, 95 votes; Stanley Brothers, 219 votes.

Article # 2 PASSED – YES 258 – NO 16.

Moderator Meserve then went on to school board results. School Board Member from Effingham, Bridget Edwards received 1960 votes. School Board Member from Ossipee, Kathryn Frothingham received 1886 votes. School Board Member at Large, Lois-Jean Stevens, received 870 and Ernest H. Brown, Jr., received 1136 votes. Moderator, Randy Walker received 2128 votes.

Moderator Meserve then stated that all the remainder of articles passed and read the results.

Article #2 YES 1593 NO 884
 Article #3 YES 1590 NO 800
 Article #4 YES 1562 NO 908
 Article #5 YES 1608 NO 816
 Article #6 YES 1485 NO 970
 Article #7 YES 1482 NO 869
 Article #8 YES 1470 NO 979
 Article #9 YES 1777 NO 702
 Article #10 YES 1570 NO 884

Moderator Meserve asked that everyone turn to the Guide Lines for Town Meeting that were handed out in your packet when you checked in with the ballot clerks. Moderator Meserve then went over the more important rules. You must have a voting card in order to speak on an article. All speakers must be recognized by the Moderator and if you do wish to speak, you must speak at a microphone. Please announce your name prior to your comment or question. Moderator Meserve then stated that if we need a secret ballot, she will then give directions at that time.

Moderator Meserve asked that everyone open their Town Reports to the yellow pages and start with article #3.

Article #3 To see if the town will vote to raise and appropriate the Budget Committee recommended sum of five million four hundred ninety-one thousand seven hundred seventy-five dollars (\$5,491,775) for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 6-0) Majority vote required.

Article #20 To hear reports of agents, auditors, committees, or officers thereof.

Moderator Meserve said she would like to thank Kellie Skehan, Ellen White, The Highway Crew and Department Heads for putting this all together.

Moderator Meserve then stated that at this is the time she would accept a motion to adjourn. It was moved and seconded to adjourn this meeting.

Moderator Meserve adjourned the meeting at 10:00pm

Respectfully submitted,

A handwritten signature in black ink, reading "Kellie J. Skehan". The signature is written in a cursive, flowing style.

Kellie J. Skehan
Town Clerk

Election Minutes
State Primary Election Minutes
September 13, 2016
8:00 am — 7:00 pm

The State Primary Election was opened at 8:00 am by Moderator Katy Meserve. Moderator Meserve introduced Rev. James Waugh who gave the invocation. After the invocation, Moderator Meserve led us in the Pledge of Allegiance. Moderator Meserve then presented the Accu Vote Machine ballot box, to show that it was empty and then relocked all doors. Moderator Meserve stated that the absentee ballots would be processed at 11:00 am and the ballot clerks were ready to receive voters. We had 36 absentee ballots processed by 12:00 pm. The turnout was less than we had anticipated.

Moderator Meserve declared the polls closed at 7:00 pm and then read the unofficial results.

The ballot clerks were Cathy Clay, Natalie Hall, and Linda White. We had Jennifer Delaney, Anita Hill, Stephanie Milligan, Sandra Robinson, Susan Simpson and Dottie Sintiris as ballot clerks pro tem. The Supervisors of the Checklist were Jane Goodwin, Jane ter Kuile and Cynthia Harris.

Respectfully submitted,
Kellie J. Skehan
Town Clerk

Election Minutes
General Election Minutes
November 8, 2016
8:00 am — 7:00 pm

Moderator Katy Meserve introduced Rev. James Waugh who gave the invocation. Moderator Meserve displayed the Accu Vote Machine ballot box to be empty for the large crowd we had for the election. Moderator Meserve lead us in the Pledge of Allegiance and then announced that the absentee ballots would be opened at 11:00 am. Moderator Meserve declared the polls open and that the ballot clerks could start accepting the voters. We were very busy throughout the whole time the polls were open. We started the 295 absentee ballots at 11:00 am and did not complete them all until 3:00 pm. It was very nice to see such a large turnout.

At 6:45 pm, Moderator Meserve went outside to make the announcement that the polls would be closing at 7:00 pm. At 7:00 pm, Moderator Meserve declared the polls closed and proceeded to print the unofficial results from the Accu Vote Machine. We had a nice crowd who stayed to hear the results.

The ballot clerks were Cathy Clay, Jennifer Delaney, Natalie V. Hall, Sandra Robinson, Dottie Sintiris, and Linda White. The ballot clerks pro tems were Anita Hill, Stephanie Milligan, and the Moderator Pro Tem was Susan Simpson. The Supervisors of the Checklist were Jane Goodwin, Jane ter Kuile and Cynthia Harris.

Respectfully submitted,
Kellie J. Skehan

Independent Auditor's Report

Plodzik & Sanderson
Professional Association
193 North Main Street
Concord, NH 03301-5063

February 7, 2017

Members of the Board of Selectmen
Town of Ossipee
P.O. Box 67
55 Main Street
Ctr. Ossipee, NH 03814

To the Members of the Board of Selectmen:

This is to advise you that as of February 3, 2017 the audit of the financial statements for the year ending December 31, 2016 has been substantially completed and we are in the process of finalizing the audit. A completed audit report will be sent to you in early Spring 2017. The prior year's audit has been completed and is available at the Town Office.

Sincerely,
Plodzik & Sanderson PA

Budget of the Town of Ossipee

Assessor's Report

Dear Ossipee Residents,

Another year has passed. It was very busy time in the Assessing Office. The Assessor is Todd Haywood of Granite Hill Municipal Services. Cheryl Akstin and John "Jack" McCarthy, also of Granite Hill Municipal Services, provide assessing services as well.

Ossipee has Jessi O'Blenes as its Assessing Clerk and Susan Simpson as Timber Clerk. Both are an integral part of the overall coordination of the Assessor's Office and are responsible for assisting the public with routine questions and maintaining continuity within the office.

The Town of Ossipee continues to maintain new technologies to assist the general public. The newest technology available is GIS information which can be accessed on the assessing home page at www.Ossipee.org. This enables the user to view town maps via aerial imagery. In addition to the assessing information, there are additional layers available for the user.

In 2016, the Assessor's Office processed over 40 abatement requests. There were also 350 properties that were inspected due to building permits issued and anything that was noted as unfinished as of April 1, 2015. Additionally, 25% of the property in town was systematically measured and listed when possible to ensure the assessing data base is kept up to date on a rolling five year basis. The Assessor's office will continue on the cyclical data-base maintenance program which entails complete interior and exterior data verification when possible for 25% of the town in 2016.

There were 113 valid sales included in the equalization ratio study performed by the New Hampshire Department of Revenue Administration. Ossipee's entire town's projected weighted mean ratio for 2016 is 94.2%; the projected median ratio for 2016 is 96.3%; the coefficient of dispersion is projected to be 15.4%.

The NH Assessing Standards Board has a reference manual that was developed specifically for elected/appointed municipal officials and taxpayers. You may find this by using this link: <http://revenue.nh.gov/mun-prop/property/documents/asb-manual.pdf>.

There is a computer terminal in the Assessor's Office for the general public to use so they may search and print property record cards without staff assistance.

The Assessing Tax Maps are available online at www.Ossipee.org as well, for printing and viewing from the convenience of the user's home.

As always, we invite you to use the resources available to view your property cards. If you have any questions, please do not hesitate to give us a call or come on in. We are here to serve you, the taxpayers.

Respectfully submitted,
Todd Haywood, CNHA

Town Clerk's Report

Notes from the Clerk's Office...

Dogs over 4 months old need to be registered on or before April 30th of each year, to prevent any future penalties. To register your dog, the rabies shot must be current. We have Kindness Animal Hospital coming on April 13, 2017, 6:00 pm – 7:30 pm to give Rabies Shots. You will need to bring in the most current rabies shot records to receive a 3 year shot. If you do not bring this in, they can only give a 1 year shot. They will be doing both dogs and cats and the cost is \$15.00 per shot.

You can now register your cars online at our Town Kiosk site. At that time you will be allowed to make payments out of your checking, savings or with a credit card. Please remember that this process can take up to 7 business days. Please remember that your registration is not valid until you receive your decals and registration in the mail.

**OFFICE HOURS ARE 8:00 AM – 4:30 PM,
MONDAY THRU FRIDAY.**

WE WILL BE CLOSED THE FOLLOWING DAYS IN 2017:

JANUARY 2, 2017 – NEW YEAR'S DAY

JANUARY 16, 2017 – CIVIL RIGHTS DAY

FEBRUARY 20, 2017 – PRESIDENTS' DAY

MAY 29, 2017– MEMORIAL DAY

JULY 4, 2017 – INDEPENDENCE DAY

SEPTEMBER 4, 2017 – LABOR DAY

OCTOBER 10, 2017 – COLUMBUS DAY

NOVEMBER 10, 2017 – VETERANS' DAY

NOVEMBER 23 & 24, 2017 – THANKSGIVING BREAK

DECEMBER 22, 2017– CLOSING AT NOON

DECEMBER 25, 2017 – CHRISTMAS DAY

Respectfully submitted,
Kellie J. Skehan

Trustees of Trust Funds Report

The year 2016 has been an interesting one. In late December, there was a quarter point interest rate hike with more rate hikes maybe in the future. Any hike will be a great help to improve the income side for the trust funds.

The funds totaled more than two million dollars (\$2,000,000) at the end of December. We dipped below that figure for awhile as the Town and Precincts withdrew funds to do the various projects. With the town funding of their town meeting warrant articles, the fund was brought back above that level again.

The Trustees are always looking at all of the products that may increase income for the trusts and capital reserve funds. We are talking to our account manager on a monthly basis.

We are very fortunate to be able to fund over \$13,000 in scholarships to Ossipee students. These scholarships are awarded by the Selectmen with the help of the High School Guidance Department. These are need based scholarships which we try very hard to award as much as possible each year.

We wish to thank all those people that have made it another great year.

Respectfully submitted,
Condict M. Billings
Peter Zavas
Rick St. Jean

Selectmen's Report

To the Residents of Ossipee,

This year has been a rewarding one in many ways. Our major project was the completion of the Highway Garage Addition. This addition provides our Highway Department with the much needed space for vehicle housing and repair. This addition was built with Ossipee's future in mind. The addition also includes a maintenance section with a lift that will handle all of our heavy and light duty trucks and cars. Someday, when it is determined that it would be cost effective to employ a mechanic, this new garage facility will support that need without any future renovations. The good news is this project was completed within budget and without borrowing any money. We also want to thank our highway employees for all the work they accomplished on this project that helped keep this project within cost.

The disappointing project this year to your Board of Selectmen is the Whittier Covered Bridge. This project has been ongoing for years with the completion always being next year. It is discouraging to us at best, having to work/deal with the Federal Government and State of New Hampshire agencies that seem to lack caring, concern, and determination to see this project through in a timely manner. At this point, we are waiting for the engineering phase to be completed for the work to start on the new/rebuilt abutment so the completely repaired bridge can be placed back across the river.

Another project we have tirelessly worked on with the State of New Hampshire, is the Route 28/Route 171 (Water Village Road) intersection. This intersection has proven to be the most dangerous one in our town. The State Department of Transportation has been very reluctant to make any meaningful correction. We are determined to continue pursuing this issue and hopefully obtain favorable results in the future.

In closing, I would like to thank all of our employees for their dedication and support to the residents of Ossipee, as well as to the Board of Selectmen.

Respectfully submitted,
Franklin R. Riley
Chairman

Ossipee Main Street Program

The Ossipee Main Street Program consists of an Executive Director, a Board of Directors, committee members, volunteers, contributors, and the whole community. In review, there are no state or Federal funds available; the success of the program is dependent upon money from the local government, businesses, organizations, and citizens. A number of events during the year, like the Penny Sales are fundraisers. The money is used to pay bills – electric, telephone, insurances, dues and memberships, and office supplies, including computer training and updates. Advertising and postage are big expenses.

Ossipee Main Street has three major goals: encouraging revitalization, increasing economic development, and promoting community spirit.

This year electricity and chandeliers were put in the gazebo and the Memorial Bricks were made into a walkway. That program is ongoing: it is not too late for you to add a brick with three lines of writing for \$50. This year the Design Committee is finalizing plans for the bronze memorial plaque to be placed this spring. During the holiday season, the gazebo was aglow with Christmas lights as were many Ossipee homes and businesses.

Involvement with the new Ossipee Economic Development Council is promising. Look for some new suggestions they had for Business Fair on April 15.

The idea of the Farmers Market has evolved into a multiple family yard sale to be held at the park on several times this summer starting with Memorial Weekend to encourage more community participation. It'll still be \$5 for tables and tents.

I couldn't end this report without Georgie's plea for more volunteers to work in the flower gardens at the park.

Respectfully submitted,
Ossipee Main Street

New lights in the Gazebo

Old Home Week Committee

The Ossipee Old Home Week Committee is a group of dedicated, energetic volunteers who meet upstairs at the Town Hall from January through October at 7:00 PM the first Tuesday of each month. During our busy times, we meet twice a month.

Our year begins with the “Pot o’ Gold” Penny Sale, March 18, 2017, at the Town Hall. The next event is in conjunction with the Ossipee Recreation Department, April 15, 2017, at the Ossipee Central School, where we have 5,000 eggs ready for the Annual Easter Egg Hunt.

We recognize Mother’s Day with flower arrangements for Mountain View Nursing Home and Sunset Place. Father’s Day, we deliver candy.

In April, we begin collecting ads from the local businesses for the Old Home Week’s paper tat we distribute in June with the schedule for the week of the Fourth of July.

To “kick off” the week, we will have our 3rd annual concert at Constitution Park (“Hurricane Mountain Boys” and “Tribute to Journey”).

We take pride in our community and through the years have raised enough money to continue the tradition of the “Fireworks at Constitution Park” on the Fourth of July, but now we are concerned about the future of this committee. We have officers that will be retiring after July and we’re looking for volunteers to fill their positions. Anyone interested should call Anne Ward at 539-2696.

Ossipee Old Home Week Committee would like to thank everyone who has supported us throughout the years. Hope to see you soon!

Respectfully submitted,
Anne Ward, Chairman
and Committee

Ossipee Historical Society

How quickly time passes. In 2016 the Ossipee Historical Society had a display showing the artistic talents of some of Ossipee's past and present residents. Featured creations were crafted from wood, some with decorative paintings and others with a natural finish, pottery, and fabric fabrications that included an antique quilt.

We were able to let the Effingham Historical Society use one of our rooms for a display area while their building was being renovated.

Once again our volunteers were present at the Main Street's Farmers' Market frequented by many from the local area as well as vacationers.

Our museum at Grant Hall was open for more hours with our docents on hand to greet visitors and answer questions.

We would like to thank the many volunteers for snow plowing and snow removal, cleaning, caring and watching over our three buildings; being available to meet people for mandated inspections, weeding and trimming the flowers and shrubs, bringing delicious refreshments to our programs, helping with the archives, helping with fundraising in various ways and doing publicity.

Our programs for 2016 kicked off with the 100th Birthday Party for the Ossipee Historical Society Courthouse. On another evening, Ryan Howard told of the arrival of the railroad and its impact on the area. Ryan Wasson engaged the audience with his presentation on Life in Forest City, a place lost to history near Mount Shaw and Moultonville in the early 1900's.

A long time supporter organized a benefit auction. Auctioneer Gary Wallace and his crew donated their time and made the auction a big success.

2017 Program Schedule

- June 20th - "June Gems" - Carol Rymes, Cindy Spencer & Brad Marion will be giving the history of their Ossipee homes.
- July 18th - "Big House, Little House, Back House, Barn" - Tom Hubka of the NH Humanities Program tells about the connected farm buildings of New England
- August 6th - Reverend James Waugh will conduct a Sunday Service at 2 pm at the Early Settlers Meeting House on Granite Road. The collected funds will help to keep this building open. Light refreshments will be served.
- August 15th - "Etched in Granite" - Author MJ Pettengill will share the information that she found while researching her book about the County Poor Farm & the Paupers' Cemetery in Ossipee Corner.
- September 19th - "Wit and Wisdom: Humor in the 19th Century New England" - Jo Radner of the NH Humanities Program will tell us what New Englanders did on the long winter evenings before cable, satellite and the internet.
- October 17th - Annual Meeting. The location and program is to be announced.

Respectfully submitted,
The Ossipee Historical Society Board

Ossipee Public Library

Programs: • Preschool Storytime (Tuesdays at 10:30) • Book Discussion Group for Adults (1st Tuesdays at 2 pm) • FLIPS (Friends Losing Inches and Pounds Sensibly) • Quilting Group (2nd and 4th Thursdays 12-4) • Knit/Crochet Group (2nd and 4th Fridays 1:30-3) • AARP Federal Income Tax Help (Feb-April) • AARP NH Property Tax Relief program • Garden Club (1st Thursdays from 12:30-3) • Teen Night Valentine Party (2/11); light bulb decorating (5/19); making t-shirt scarves (7/21) • 4H Photography Workshop (3/24) • 4H Spin Club (4/7 and 4/21) • Schools Out Book Club (Mondays) • Elementary School Library Tours (May- June) • Poetry Party (4/25) • Friends Book and Plant Sale • Summer Reading Kick off program with the Greg and Axel Show • Summer Reading Program: **On Your Mark, Get Set, Read!** 81 children registered and 49 children turned in reading logs. The total amount of minutes read by the 49 children was 41,734. Programs included yoga for children, ribbon wand craft/dance, make and fly paper airplanes, rubber duck craft and broad jump into a “pond,” an outside obstacle course, and the fun prize day • Garden Fresh Cooking Class (7/11) • Jerry Schneider Butterfly program (7/7) • “Old Time Stories” with Gloria Aspinall • Kevin Mannix and Linda Rota book signing and talk (10/3) • Friends Holiday Decorating Party • Holiday Stories with Library Elves

Receipts: Salaries/Benefits \$191,125; Town of Ossipee \$24,980; Copies \$1,617; Faxes \$578; Fines \$586; Out of Town Fees \$90; Replacement for Lost/Damaged items \$124; Sale Items \$100.

Gifts and Donations: The library received the following grants and donations: \$150.00 grant from the Governor Wentworth Arts Council for summer reading entertainment, \$25.00 for books from the John Poland Trust Fund, 12 Story Land tickets for the summer reading program, \$1239 from the Friends of the Ossipee Public Library for various programs throughout the year, \$50.00 from the Ossipee Garden Club, \$40.00 donation in memory of Leda Knapp for Large Print books, and \$292 in anonymous donations. Thank you to all of these people and groups for these generous donations.

Expenditures: Books \$11,969; Dues \$535; Electricity \$3,543; Fuel \$4,397; Furniture/Equipment \$940; Maintenance/Repairs \$5,746; Mileage \$367; Periodicals \$524; Postage \$212; Professional Improvement \$1,193; Programs \$1,241; Supplies \$2,478; Technology \$3,671; Telephone \$1,188; Movies \$797; Water/Sewer \$484. Total Expenditures: \$39,286.

Library Accounts: Checking: \$8,932; Savings: \$35,293; NH Public Investment Pool: \$9,500; Petty Cash Account: \$500; Wells Fargo Account: \$45,086. Appropriated funds in the amount of \$3,000 were returned to the town at the end of 2016. Money in the checking account will be used for any December bills that arrive in January. Money in the savings account will be used for books, supplies, maintenance, repairs, and upgrades. Petty Cash is used mainly for programs.

Books and Materials: Current Number of Items at the library: 27,090. The number of items added by gift, purchase and otherwise: 1,286. The number of items lost: 88. The number of items deleted due to damage, lack of interest, or dated

information: 2,019. Number of audiobooks available through the New Hampshire Downloadable books (NHDB) consortium: 8,191. Number of eBooks available through the NHDB consortium: 10,900. Number of periodicals available through the NHDB consortium: 65. Ossipee Public Library patrons have access to articles and periodicals through Ebsco Databases and access to genealogy research on a library computer with Ancestry Library Edition.

Computers: The library offers 10 public access computers as well as WiFi.

ILL (Inter Library Loan): Through the ILL program, the Ossipee Public Library borrowed 661 items from other libraries and lent 797 items to other libraries.

Website: www.ossipee.lib.nh.us. Access the online catalog from the website as well as a calendar of events.

Patrons: 2,833 people with library cards.

Passes to the following places were available to library patrons this year: Castle in the Clouds, Squam Lakes Science Center, the Wright Museum, the NH State Parks Pass, and the McAuliffe-Shepard Discovery Center.

Statistics: Number of visits to the library: 13,841. Number of items borrowed: 20,986. Number of items borrowed through NHDB: 2,288. Ebsco searches: 986. Ancestry searches: 674. WiFi transactions: 982.

Adult programs: 112; attendance: 734. Young Adult Programs: 7; attendance: 29. Children's programs: 75; attendance: 1028.

The Trustees and Staff would like to thank the Friends of the Ossipee Public Library, volunteers, past Board members, all town employees, the Board of Selectmen, and the Budget Committee for supporting the library. We are also grateful for all of the wonderful people who use the library.

Respectfully Submitted,

John Mingori, Chairman of the Board of Trustees

Georgie Duquet, Alternate

Maria Moulton, Library Director

Holiday Story Time with Library Elves – December 19, 2016

Lakes Region Planning Commission

The Lakes Region Planning Commission (LRPC) is an organization created by Lakes Region communities per state law for the broad purpose of responding to and shaping the pressures of change in a meaningful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. As our economy and world change, so does the work we are engaged in. The Commission offers direct and support services to help our communities meet tomorrow's challenges. Our services include technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazards planning, and economic development. LRPC is primarily funded through local, state, and federal resources. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and guidance to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the Town of Ossipee and the region in the past fiscal year are noted below:

OUTREACH

- Delivered completed Planning Board maps to Town Hall
- Reviewed and compiled several sources of demographic data for Representative Mark McConkey in preparation for economic development meeting
- Completed Planning Board request for two CDs of all maps and transparencies
- Fielded call from Ossipee regarding the need for bulb boxes. Corresponded with vendor and State Household Hazardous Waste Coordinator regarding Ossipee packaging request
- Held Carroll County Regional Coordinating Council outreach meeting for residents and surrounding communities
- Assisted Town with Geographical Information System (GIS) mapping request including NH Department of Transportation road information to support their local plans
- Attended and provided feedback at the NH Department of Transportation Streetlight Discontinuance Program meeting in Portsmouth on March 13 with Municipal Officials
- Worked with Town Officials to define scope of bicycle/pedestrian proposal to determine grant funding eligibility for NH Department of Resources and Economic Development Recreational Trails Program
- Coordinated with NH Department of Transportation District Office and Concord regarding ROW in the Route 16 corridor between Ossipee and Conway
- Conducted turning movement counts at Granite Road intersection and Pine River Road intersections of NH Route 16
- Followed up with Town Administrator regarding request for historic accident report at specific intersections of interest
- Reviewed Highway Safety Improvement Program Committee recommendations regarding Town's Road Safety Audit applications

- Discussed Transportation Alternatives Program with Town Officials who may be interested in submitting a proposal for the next grant round
- Sent welcome letter to new Ossipee LRPC Commissioner
- Provided copies of the NH Planning and Land Use Regulations book to the town at considerable savings

REGIONAL SERVICES

- Hosted the June 27, 2016 Commissioners Annual Meeting held at the Wolfeboro Inn in Wolfeboro NH, with featured speaker Kathleen Fallon Lambert, Director of the Science and Policy Integration Project, Harvard Forest, Harvard University. Over 100 attendees socialized, enjoyed the awards presentations and Kathleen Fallon Lambert's presentation of innovative planning techniques
- LRPC hosted NH Association of Regional Planning Commissions' (NHARPC) statewide gathering at Lake Opechee with RPC commissioners from around the state
- LRPC hosted a Water Infrastructure/Source Water Protection presentation with NH Department of Environmental Services (NHDES) for Lakes Region Communities
- Participated in Environmental Protection Agency (EPA) Brownfields Assessment debriefing
- Participated in the 2015 Healthy Eating Active Living (HEAL) NH Conference Leadership for policy and system change
- Hosted "Making Old Water Systems New Again" presentation featuring NHDES
- Created Development of Regional Impact guidelines which were adopted by the Commission.
- Initiated Belknap County Economic Index project with Belknap Economic Development Council (BEDC) and Plymouth State University (PSU)
- Developed a U.S. Department of Agriculture (USDA) Solid Waste & Water grant proposal to provide solid waste technical assistance to Lakes Region Communities
- Worked with NH Department of Resources and Economic Development (NHDRED) Deputy Director and Telecommunications Director to evaluate regional opportunities for Northern Border Regional Commission (NBRC) grant applications
- Continued Circuit Rider assistance for enrolled communities
- Continued development of the Winnepesaukee Gateway website featuring the region's first online dynamic Watershed Management Plan
- Assisted several communities with Development of Regional Impact (DRI) Determinations and worked with neighboring communities to provide comments regional impacts to be mitigated;
- Worked with Lake Winnepesaukee Association (LWA), North Country Resource Conservation and Development (NCRC&D), Town of Meredith, and NHDES officials to develop initial scope for a 604(b) septic assessment model plan focusing on Lake Winnepesaukee
- Preserved 40-year old future land use maps with lamination.
- Scanned hundreds of large-format maps to share with communities and post on website
- Worked on certification to establish LRPC as official Local Development District (LDD) to assist with Northern Border Regional Commission application and administration
- Provided Geographic Information System (GIS) Services and Technical Land Use Assistance to

communities

- Assisted Lakes Region communities in developing and updating Hazard Mitigation Plans for acceptance by NH Homeland Security and Federal Emergency Management Agency (FEMA)
- Convened several Pemigewasset River Local Advisory Committee (PRLAC) meetings

HOUSEHOLD HAZARDOUS WASTE

- Handled over 21,000 gallons of Hazardous Substances from 2,145 Households in 24 Communities to safeguard the region's overall water quality and environment through coordination of the 28th Annual Household Hazardous Waste Collection Days

EDUCATION

- Convened five regular Commission meetings and facilitated discussions on: Drinking Water Issues and Available Resources, Transportation Advisory Committee (TAC) Process, Transportation Initiatives and Fixing Americas Surface Transportation Act (FAST act), Invasive Insects and the Health of our Trees, and NH Fish and Game's Wildlife Action Plan
- Provided valuable environmental consulting assistance through Phase I and Phase II Brownfield Assessments and redevelopment activity on nearly a dozen Lakes Region sites
- Maintained a digital and traditional library of significant planning documents from air quality to zoning
- Prepared strategic planning reports such as demographic studies, build-out analyses, and attitude surveys
- Offered facilitation and consensus building on pressing local and regional issues
- Provided access to LRPC resources through our website www.lakesrpc.org
- Created E-News Blasts to keep our communities informed of upcoming events and other regional activities
- Participated in New Hampshire Watershed Manager's Roundtable
- Participated in Winnepesaukee Public Health Council Directors Meetings
- Participated in New Hampshire Association of Regional Planning Commissions meetings in Concord

ECONOMIC DEVELOPMENT

- Assisted the Belknap Economic Development Council BEDC on Brownfield Assessments for the Colonial Theater in Laconia
- Advocated for adoption of the Lakes Angel Investment Network to NH Business Finance Authority (NHBFA) and Live Free & Start Initiative. The group decided to make it a priority to spur NH economic development along with pursuing charitable donations and state pension fund investment into local projects
- Coordinated meeting with the Deputy Director of NH Department of NHDRED to discuss Northern Border application on broadband and employee shortage affecting many manufacturers in the region

- Created initial partnership with the BEDC and a PSU professor to explore an idea to create a Lakes Region Economic Index for Spring 2016
- Served on NHBFA Board and voted on over \$25 million in bond issues as well as continued administration of the NHDES Brownfields Revolving Loan Fund
- Coordinated with area economic development groups including BEDC, Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC) and Mount Washington Valley Economic Council in pursuit of workforce development and growth opportunities for the region
- Continued to work with area economic development organizations and pursue relevant opportunities with the Economic Development Administration

TRANSPORTATION

- Prepared Lakes Tour Scenic Byway Corridor Management Plan and continued working with the Scenic Byway Advisory Committee to conduct outreach to area organizations
- Provided transportation mapping services and technical land use assistance to our communities
- Conducted annual traffic counts at approximately 140 locations around the region, as well as ten counts during Motorcycle Week and four municipal speed and volume counts for local law enforcement officials
- Prepared and coordinated the submission of three Road Safety Audit applications to improve intersection safety
- Organized and testified on behalf of Lakes Region Transportation priorities at the regional Governor's Advisory Commission on Intermodal Transportation hearing
- Participated in the Safe Routes to School and Highway Safety Improvement Program for statewide committees
- Responded to many municipal requests for transportation assistance including review of road design standards, corridor safety assessment, and development of educational materials such as the Bicycle and Pedestrian At-A-Glance
- Coordinated and conducted meetings of the regional Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development
- Worked with one pilot community on the forecasting aspect of the SADES Road Surface Management System, helping the community to effectively budget its pavement maintenance expenses.
- Assisted with the Road Surface Management Systems (RSMS) analysis template update
- Provided assistance to two public transportation groups: The Carroll County Regional Coordinating Council, and the Mid-State Regional Coordinating Council
- Updated Transportation Master Plan Chapters for several Lakes Region communities
- Continued work on the Regional Transportation resources webpage

- Printed materials and delivered extra outreach brochures and holders to Regional Coordination Council Transit members for distribution to sites
- Completed culvert inventories in Gilford and Laconia
- Conducted catch basin inventories in Alton and Center Harbor
- Initiated regional assessment of transportation impact on water quality
- Initiated regional assessment of regional bike-ability including gaps in bicycle and pedestrian infrastructure throughout the region

Economic Development Committee

2016 Brought the start of a new and what we feel will be an exciting initiative for the Town of Ossipee.

The Ossipee Economic Development Council officially began meeting back in May as a collection of citizen volunteers and community leaders with the goal of enhancing the economic vitality of the Town.

In seven short months, the council has visited with officials from the State of NH's Division of Economic Development, established an inventory of available commercial real estate, worked extensively on an in-depth SWOT (*Strengths, Weaknesses, Opportunities and Threats*) Analysis, and have begun the development of both an Ossipee Economic Development website and promotional booklet.

The coming year will see the launch of our new website, www.ossipeedevelopment.com showcasing our great Town to prospective businesses. This new tool will demonstrate the key measurables and key resources that make Ossipee an ideal location to establish roots.

For our existing businesses, the council hopes to make contact with you in 2017 so that we can hear direct feedback on why Ossipee is the right place for you and what we can do to help promote your business. We also hope you will suggest opportunities we can pursue to ensure your continued success for many years to come.

We thank all of you in advance for your support in our efforts and encourage you to visit one of our monthly meetings on the third Monday of the month, 6 P.M. at the Ossipee Main Street Building.

Respectfully Submitted,
The Ossipee Economic Development Council

Cemetery Trustees

The year of 2016 was a very good year for the Cemetery Trustees. We finally have a third Trustee to help out. Our newest Trustee, Cole Perry, was elected last year. He has been a real asset and wealth of information. We also had a new hire to replace a longtime employee that left us that has worked out tremendously well. Darryl Stanley has worked out very well. He is a lifelong Ossipee resident, a hard worker, has a perfect attendance record and takes great pride in his work. Darryl and Chris Nason make a fantastic team.

We took over the Chickville Cemeteries this year. This has gone very well and alleviated the space crunch we were coming up against. This will allow us to be more thoughtful of our expansion. This was a very gracious gift from the Chickville Church Association and we would like to thank all of the association members and Selectmen for the hard work that made the takeover almost seamless.

With the help and guidance of our Selectmen, we were able to acquire a few more pieces of equipment that allowed us to take on the maintenance of the Chickville Cemeteries with the same man hours. The new equipment has allowed us to catch up on a lot of things by making short work of the mowing with our new riding lawn mower.

We would also like to thank Brad Harriman and his highway crew for the great cooperation in working with us to share equipment and work together.

We have worked out a several year plan to catch up on some of the tree work that has been neglected and have also come with a several year plan to fix broken head stones

The Town of Ossipee is very lucky to have such a high spirit of cooperation amongst all of the boards and departments and just doing whatever needs to be done to just get the job done.

Respectfully submitted,
Roy Barron, Chairman
Rick St Jean, Trustee

Timber Monitor

The primary responsibilities of the Timber Monitor are to assist the Town in educating property owners and people working in the forest industry on the rules and regulations related to logging operation sand to assist the Town in getting more accurate and timely reports of forest products harvested.

The Timber Tax Year runs from April 1st through march 31st of the following year. An Intent to Cut form and Report of Wood Cut form are required for most timber harvesting operations whether on private or public lands. They serve as notification to the Town and State of logging activity, and they report the types and volumes of forest products harvested for town yield tax purposes.

Summary of Timber Monitor activity between January 1 and December 31, 2016:

# of Intents to Cut filed and approved by Selectmen	35
# of Inspections on approved logging operations	40
Inspection results (information not provided to Town before inspection)	
# of new Intents to Cut filed	2
# of Supplemental Intents to Cut filed	4
(for additional volumes <u>not</u> filed for on original Intent to Cut)	
Total Sawlog Volume (board feet)	184,500
Total Pulpwood (tons)	1,155
Total Pulpwood (cords)	30
Total Whole Tree Chips (tons)	120
# of undocumented logging operations inspected/investigated	9

Inspections resulted in several verbal and written actions at the Town level seeking compliance with yield tax and/or timber harvesting rules and regulations. Inspections also resulted in several referrals to the Forest Protection Bureau at the NH Division of Forest & Lands and to the NH Department of Revenue Administration for further enforcement.

Inspections and compliance actions resulted in Intents to Cut, Supplemental Intents to Cut and Reports of Wood Cut being filed for forest product volumes that would not otherwise have been documented. This information will generate yield tax revenue to the Town that would not have been realized without monitoring.

Respectfully submitted,
Robert Boyd
Timber Monitor

Conservation Commission

“Get Wild” Activities at the Summer Brook Fish Hatchery Summer 2016

The Ossipee Conservation Commission is responsible under RSA 36-A for assuring the protection and proper utilization of Ossipee’s natural resources. Members are appointed by the Selectmen. The Commission meets the second Wednesday each month at 7:00 PM in the town “Freight House”. The public is encouraged to attend. The Conservation is looking for volunteers to help with the Lake Host program monitoring boats for invasive plants such as milfoil.

During 2016, Ron Adams (2017) was elected chair and Donna Gridley (2017) was elected Vice Chair. Continuing members were Ralph Buchanan (2017), Ron Larrivee (2018), Bruce Parsons (2018), and Tim Otterbach (2019). Laura Nash has done an excellent job as our board secretary

The Conservation Commission:

- continued the milfoil subcommittee work
- applied for a “Lake Host Grant” to monitor boats at the Pine River Boat Ramp. Unfortunately, continued delays over closure of the ramp for reconstruction, made it impossible to follow through and hire a Lake Host coordinator
- supported efforts to monitor water quality of rivers and Ossipee Lake by the Green Mountain Conservation Group and the “Get Wet” water quality program at the Ossipee Elementary school.
- expressed concerns over the original plans for Westward Shores Campground expansion and suggested Westward Shores carry out a wildlife corridor study as well as establish a conservation easement on the area along the Bearcamp River area. Both of these were done by Westward Shores.
- asked the selectmen to consider looking at programs that could identify septic systems on Lake Ossipee that might be in failure. This could be a multi-year plan just as re-assessing property is. Long term, these septic system failures are going to ruin the lake quality and also the tax base of Ossipee.
- offered the “Get Wild” program at the Summer Brook Fish Hatchery, with free fishing for children under 12 and a

“Wildlife Encounters” program for some 50 children and adults.

- took responsibility for the orphan easements from the defunct Patten Trust (Nichols Road property numbers 15, 25, 35, 45, 55, 75, 85, and 105 and Sawyer Road property numbers 21, 24, 26, 28, 29, and 31).
- continued to monitor conservation properties.

The Commission reviewed 36 communications to and from the NH Department of Environmental Services, such as applications to alter wetlands or other matters that would require a DES permit or monitoring. The Commission also reviewed 43 “Intents to Cut” forwarded by the Selectmen.

Respectfully submitted,
Ron Adams
Chairman

Ossipee Concerned Citizens, Inc.

To the Selectmen and Citizens of the Town of Ossipee,

The world has changed enormously over the years, particularly for seniors and the elderly who can remember when life was simpler by comparison. Our young people have the ability to adapt more easily, yet lack the lessons the history teaches. And so everyone has something new to offer in life.

Ossipee Concerned Citizens, Inc. is a non-profit human services agency which provides services to all ages, from the Elderly Nutrition Program to the Ossipee Crossings Childcare Center. Our kitchens prepare congregate meals in Center Ossipee, Moultonboro, Tamworth, and Sandwich. In addition, Meals-On-Wheels are prepared and distributed to the towns of Ossipee, Effingham, Freedom, Tamworth, Wakefield, Moultonboro, and Sandwich. Last year, a total of 83,761 nutritious meals were served from a varied monthly menu.

Eleven other organizations across the state provide meals to seniors as well. Four years ago, several of those programs combined with OCC to bring attention to the need and the services available for home-delivered and congregate meals for senior and the disabled. To reach that goal, an annual state-wide program called March-for-Meals was organized. The marches take place in different towns and cities across the state, with OCC organizing its local walk/run of two routes, beginning at the OCC building in Center Ossipee. Free snacks, lunch and t-shirts are available on that day (May 20).

The Ossipee Crossings Childcare Center, under the auspices of Ossipee Concerned Citizens, Inc., has experienced continued expansion, and now includes infants to twelve years old. The program is open Monday through Friday from 6:30 AM to 5:30 PM at the OCC building on Dore Street in Center Ossipee. The Center is available before, during and after school, is a licensed pre-school with a variety of activities, open during school vacations for your convenience, and offering affordable rates.

The Ossipee Santa Project is organized annually by OCC, yet is above all, a true community project supported by local schools, churches, banks, clubs, and other businesses and individuals who realize the short and long-term positive affect on our youth and their families. This past holiday season, 528 boys and girls in 151 families received help for Christmas.

Non-profit agencies across the State of new Hampshire have greater success with people who volunteer for duties important to the daily operation of their organizations. OCC has been fortunate over the years to have many of those unselfish people, a committed staff, and the support of the community as a whole.

Respectfully submitted,
Donna E. Sargent
Executive Director, OCC

Welfare Department

2016 was a mild heating season so we did not see as many requests for supplemental fuel.

Homelessness was once again a top priority. Although we are usually able to secure a bed, many refuse to go. A homeless shelter not only provides shelter; they assist with life skills, job placement, transitional housing,, and some provide alcohol and drug addiction counseling.

The TCCAP Homeless Outreach Program provides matching or supplemental funding with housing and rents.

We did not use the McKinney Foundation monies provided through TCCAP Fuel Assistance due to the mild heating season.

Temporary housing costs for homeless families or individuals had a decrease of \$10,316. A payment for temporary housing was repaid to the Town.

We also recovered \$1,429.07 from a welfare lien when the property was sold.

It is necessary to budget a specific amount even though it is not always spent. Welfare is mandated by law an sufficient funds must be available. Insufficient funds could result in funds being taken from another department or by Special Town Meeting.

Respectfully submitted,
Sandra "Sam" Martin
Welfare Director

Tri-County Community Action Program Inc.

448 White Mountain Highway, Tamworth, NH 03886

(603)323-7400 - Toll Free (888)-842-FUEL(3835) - Fax (603)323-7411

Dear Selectmen:

Tri-County Community Action/Carroll County is requesting **\$12,000 in funding from the Town of Ossipee at your 2017 Town Meeting** to help support its Community Contact programs. Community Contact is the field services arm of the Tri-County CAP. Our purpose is to assist low-income, elderly and disabled persons to solve problems and meet their physical and financial needs. We accomplish this by providing information, counseling, referrals, budget counseling, guidance and organizational assistance and by effectively linking households with CAP assistance programs and using community resources.

Below is the breakdown of assistance that the Carroll County Community Contact office provided to the **611** residents of Ossipee who were served over the last year from July 1, 2015 and June 30, 2016:

<u>Program</u>	<u>Households</u>	<u>Dollar Amounts</u>
Fuel Assistance	278	\$246,163.77
Weatherization	19	\$70,334.57
Electric Assistance	195	\$165,706.51
USDA Surplus Food allocated to local food pantry		\$16,744.71
Total:		\$ 498,949.56

Tri-County Community Action provides necessary services for the less fortunate citizens in our communities, who would otherwise have to seek help from the town. We are depending upon funding from your town and neighboring communities countywide. The local funds are used to make available local intake and support for federal and state programs including Fuel Assistance, Electric Assistance, Homeless Prevention, Weatherization, and electric utility conservation programs. We are also the conduit through which the USDA Surplus food is distributed to the food pantries throughout Carroll County.

We greatly appreciate the support and look forward to continued cooperation and partnership with your towns' residents, elected officials and staff. If you have any questions, please do not hesitate to call me at 888-842-3835 x103.

Sincerely,
Lisa Hinckley
Community Contact Manager

Central NH VNA & Hospice

PO Box 1620, 240 South Main Street, Wolfeboro, NH 03894
603-569-2729 - www.centralvna.org

Central New Hampshire VNA-Hospice is a non-profit visiting nurse, hospice and community service agency serving the residents of Southern Carroll County and Belknap County. We continue to be governed by local residents, licensed by the State of New Hampshire and supported by the communities we serve. This year we are entering our Centennial year of providing 100 years of service to the communities in the Lakes Region.

We are grateful to the Town of Ossipee for approving an appropriation to our organization. We were privileged to provide the residents of Ossipee with services from all of our programs during the last year. The Agency's staff made 41,376 home visits during FY 2016, an increase of over 6% over the prior year. Of those 1,883 were made to Ossipee residents representing over 15.4% of the visits from the Wolfeboro office. These numbers include services provided in our pediatric health care, home health care, certified hospice end-of-life care (hospice).

We have struggled with the implications of a shaky economy, the reality of home health cuts to the Medicare and Medicaid system; the effects of sequestration and the enactment of health care reform. The quality of our care and scope of services have not diminished. Our patient satisfaction remains stellar. Medicare has ranked our quality of service at 4.5 out of 5 stars, higher than any other non-profit VNA in New Hampshire. We have remained true to our mission and have served all ages in your community, the insured and the uninsured.

Thank you for your continued support and for allowing us to provide Ossipee residents with needed home health care and community support services.

Service Summary, Ossipee: Year 2016

Visit Type	Number of Visits
Nursing	788
Therapy	653
Home Health Aide	95
Pediatric Care	38
Hospice/Palliative	291
Medical Social Worker	18

Caregivers of Southern Carroll County & Vicinity, Inc.

209 North Main Street, Wolfeboro, NH 03894

Caregivers of Southern Carroll County & Vicinity, Inc. otherwise known as Caregivers continues to provide transportation for non-emergency medical appointments to Alton, Ossipee, Tuftonboro, and Wolfeboro clients. This may include doctor appointments, laboratory tests, cardiac rehabilitation, and trips to Back Bay Rehabilitation.

This is all accomplished using volunteer drivers who are devoted community members. The client must be able to get in and out of a vehicle independently. Walkers are no problem to bring along but wheelchairs cannot be taken on a trip. In addition, we also transport younger clients. If they are under 18, they must be accompanied by an adult.

There are no paid staff members at Caregivers. The Board of Directors, which meets monthly, provides the services of an executive. This has become much easier to keep track of clients, trips, destinations, dates and times accurately and in a timely fashion.

This has been a successful year. Through 11/16/2016, there have been 1,466 trips scheduled and 65,468 miles traveled. The support from our member communities has been heartwarming and appreciated.

Respectfully submitted,
Shirley A. Bentley

Highway Department

This past winter season started off very slow, but the second half of the winter season was extremely busy. Thankfully, there was very little ice to deal with, but the numerous snow events kept the highway crew very busy. As usual, they did an outstanding job keeping the roadways clear and safe for the motorists in Ossipee.

The spring and summer kept the crew busy with the usual road grading, dust control, ditch cleaning and culvert cleaning. The efforts put in to operating the leaf vacuum continue to be a huge benefit for the crew, requiring less time to grade the roads and also provides an unobstructed ditch line for the water to run in which results in less erosion of the shoulders of the roads.

The highway crew installed 270 linear feet of “Redi-Rock” retaining wall along Moultonville Road, installed new culverts, worked with the Water & Sewer Department to rebuild and raise the tops of the sewer manholes and then worked along with Pike Industries to reclaim and pave 3100 linear feet of Moultonville Road. The crew also prepped around 4000 linear feet of Chickville Road for a shim layer of pavement.

The highway crew continued widening and cutting new slopes along Effingham Road, Fogg’s Ridge Road and Walker Hill Road. This year the highway crew built new timber guardrails on Chickville Road.

This past fall, the highway crew rebuilt the red-listed bridge on Paddy Acre Road. Also the engineering and permitting are complete for the replacement of the Valley Road Bridge at Little Dan Hole Pond. This project is scheduled to be completed in May of 2017. This project will complete the replacement of all of the Town’s “Red-Listed Bridges”, which is a huge accomplishment considering that the Town owns and maintains 19 bridges.

Last, but certainly not least, a new 3500 square foot addition to the highway garage was completed. Due to a lot of hard work done by the highway crew, excavation, backfill, compaction and carpentry work, the project came in under budget and on time!

The Public Works Department also welcomes Tracy Waterhouse to the highway department.

The crew at the highway department takes great pride in improving and maintaining the roads in the Town of Ossipee and would once again like to thank all of the people for their support.

Respectfully submitted,
Brad Harriman
Public Works Director

Zoning Board of Adjustment

This year the ZBA granted 9 Variances, denied 2, pending 2, with one application withdrawn by the applicant. The Board also granted 4 Special Exceptions and denied 4 applications for Motion for Rehearing.

Stanley Brothers was re-elected to the ZBA and was voted to remain as Chairman, joining David Babson, Vice-Chairman, Ralph Wurster, Ski Kwiatkowski, and Jim Rines; along with alternates Bob Freeman and Bill Grover.

The Town of Ossipee hired Laura Nash as Secretary for the Planning Board, the Zoning Board of Adjustments and the Conservation Commission replacing Xann Horn. The Board would like to thank Xann for her time and commitment as the Board's Secretary.

The Board's Secretary may be contacted at 603-651-1154 on Tuesdays from 3:00 - 8:00 PM, Wednesdays from 3:00 - 8:00 PM (or until meetings end) and Thursday's 9:00 - 1:00 PM, or you may call and leave a message at any time.

Respectfully submitted,
Stanley Brothers
Chairman, ZBA

Planning Board

2016 was a busy year for the Ossipee Planning Board. We had many applications submitted as opposed to previous years. There were some rather large and significant projects approved, of which were Mountain Grainery Distillery, Westward Shores Camping Resort and the Ossipee Dollar General.

This year the Planning Board approved 5 Site Plan Reviews with one application withdrawn by the applicant. The Board also approved 4 Subdivision applications, 3 Lot Mergers, 2 Site Plan Review Amendments, 2 Boundary Line Adjustments and 2 Gravel Pit applications.

Condict "Connie" Billings was re-elected to the Planning Board and was voted in as Vice - Chairman, joining newly elected Dennis Legendre, Ski Kwiatkowski, Chairman, Roy Barron, Bob Gillette , Frank Riley - Selectmen's Rep., Bruce Parsons and alternate Rick St. Jean.

The Ossipee Planning Board recommends that applicants meet with or discuss their intentions with the Zoning Enforcement Officer, Steve McConarty, before applying to the Planning Board to help ensure compliance with all zoning regulations. The Board encourages pre-application discussion (Informal Hearing) with the Board, which can be scheduled for any Planning Board meeting by calling the Board's Secretary.

The Town of Ossipee hired Laura Nash as Secretary for the Planning Board, the Zoning Board of Adjustments and the Conservation Commission replacing Xann Horn. The Board would like to thank Xann for her time and commitment as the Board's Secretary.

The public is invited to attend any of the meetings which are held the first and third Tuesday of each month at 7:00 PM in the Town Hall Annex, (The Freight House) at 1 Moultonville Road, Center Ossipee.

The Board's Secretary may be contacted at 603-651-1154 on Tuesdays from 3:00 - 8:00 PM, Wednesdays from 3:00 - 8:00 PM (or until meetings end) and Thursday's 9:00 - 1:00 PM, or you may call and leave a message at any time.

Respectfully submitted,
Ossipee Planning Board

Transfer Station & Recycling Facility

The Transfer Station has had another successful year. The crew has done an excellent job in performing their duties in recycling and maintaining a clean and safe site for the residents of Ossipee.

The recycling effort continues to have a positive impact on the town of Ossipee and the environment. In 2016, the Transfer Station recycled approximately 347 tons of material, of which 85 tons were glass that was crushed and then used for bedding culverts in road improvement projects. The cost savings alone, from not having to pay the tipping fees and transportation fees to the landfill, equals out to over \$30,000.00. The total income generated from the sales of the recyclables and demo fees in 2016 was \$112,417.25, which is up \$8,822.28 from last year. While the market prices are still running low, we have the ability to hold onto our stock of materials until the prices climb.

This year we also started baling our cardboard and paper, where previously we sent these out loose in containers. The difference was an increase of \$40.00/ton for this commodity. We sent out 146 tons, which showed a gain of \$5,840.00.

We continued our Earth Day and Fall Clean-Up days in 2016, which are designated days that the Transfer Station allows the items that usually have a fee attached to their disposal to be brought in at no charge to the residents. Over 1000 vehicles came in, disposing of over 320 electronic units, 622 tires and 391 loads of demo.

Our continued goal at the Transfer Station is to provide a clean and efficient facility that the public can be proud of and to increase the amount of material that is recycled each year, which in turn will help to reduce the tax burden and reduce the amount of waste going into the landfills.

I would like to thank Brewster, Rick and Bonnie at the Transfer Station for their dedication and for doing an outstanding job this year. We would also like to thank the residents of Ossipee for their support in our efforts.

Respectfully submitted,
Brad Harriman
Public Works Director

"Partnering to make recycling strong through economic and environmentally sound solutions"

Northeast Resource Recovery Association, 2101 Dover Road, Epsom, NH
03234 Telephone: (603) 736-4401 or 1-800-223-0150
Fax: (603) 736-4402

E-mail: info@nrna.net

Web Site: www.nrra.net

Town of Ossipee, NH

Congratulations for being such active recyclers!

Below please find information on the positive impact your recycling has had on our environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling organization, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled In 2016	Environmental Impact! Here is <u>only one</u> benefit of recycling materials rather than manufacturing products from virgin resources
Paper	103.7 tons	Saved 1,763 trees!
Plastics	38,000 lbs.	Conserved 28,500 gallons of gasoline!
Scrap Metal	129.3 gross tons	Conserved 361,906 pounds of iron ore!
Steel Cans	19.3 gross tons	Conserved enough energy to run a 60 watt light bulb for 1,123,720 hours!

Avoided Emissions:

Recycling uses much less energy than making products from virgin resources, and using less energy means fewer greenhouse gases emitted into the atmosphere.

By recycling the materials above, you have avoided about **1,032 tons** of carbon dioxide emissions
This is the equivalent of removing **220 passenger cars** from the road for an entire year

Water and Sewer Department

The Ossipee Water and Sewer Department has continued to make upgrades to both the water and sewer system in Center Ossipee.

WATER SYSTEM

The system is in good condition. All our water tests have come back with excellent test ratings. We also tested for PFOA , which came back negative. We are continuing to make improvements at the water treatment plant. January of 2015 we replaced one of the two main well pumps. We have also installed a new chlorine analyzer, and have repaired several leaks around town.

SEWER SYSTEM

The sewer system is in good shape. The flows are down from the previous year, meaning we have less infiltration. We have contracted camera crews to film the sewer lines, looking for infiltration. We hope to continue more filming in the upcoming year. We have cleaned all the sediment out of the wet wells. This will help the longevity of the leach beds. Residents are also reminded that it is illegal to connect gutters, down spouts and sump pumps to the sanitary system. These devices should be connected to storm drains or drain away from the structure.

CAMP DAVID

The facility received approximately 513,400 gallons of septage and processed more than 23 million gallons of waste water. We are approximately 1 million gallons less than last year. Monitoring wells showed all ground water to be within State and EPA limits. Replacement of a leach bed is planned for the upcoming year.

We wish to extend our appreciation to the various Town Departments for their continued help and support throughout the year: The Board of Selectman and Mrs. Ellen White, Town Administrator, for their help. Mrs. Kellie Skehan and her Tax Office staff: Mrs. Trish Hodge and Mrs. Tracy Cragin, for all their hard work. Also, Harry Merrow, Treasurer, and Jonathan Smith, Deputy. Brad Harriman: Public Works Director and the Highway Department for their assistance throughout the year.

Respectfully submitted,
Wayne "Bo" Eldridge
Superintendent

Recreation Department

To The Selectmen and the Citizens of the Town of Ossipee,

This year saw a change in the Recreation Department. Peter Waugh retired after over two decades of service to the Town of Ossipee as the Recreation Director. Peter's service to Ossipee and its people has been greatly appreciated. His influences can be seen all over the town. A big thanks is due to him and I am happy to be continuing the services that he left behind. Thank you, Peter.

This upcoming year is one that I look forward to as I continue the programs that have been in place while also planning and implementing new ones for youth, teens, and adults. If anyone has an idea of a new program or believes that we can improve on one, please call (603) 539-1307, email me at recdept@ossipee.org, or even stop by the Recreation Office. Volunteers are also needed at many of these events and your help is what makes many of these events possible.

I am looking forward and am excited for the future here in Ossipee as your Recreation Director.

Respectfully submitted,
Craig Brady
Recreation Director

"Recreation is not a secondary concern for a democracy. It is a primary concern, for the kind of recreation a people make for themselves determines the kind of people they become and the kind of society they build." -Harry Allen Overstreet-

Police Department

In 2016, the Ossipee Police Department continued to devote a large amount of time and effort in battling the opioid epidemic. These effects on our community are seen in the form of several overdoses, some that tragically end in death, to thefts and other crimes that addicts resort to in order to fund their addiction. Progress is being made with treatment centers and education, however, we have a long way to go. This crisis will take the community at large, working together, in order to stem this tide.

I would like to thank the Board of Selectmen, the NH State Police, The Carroll County Sheriff's Department, our supporting local agencies as well, our 3 local fire departments and the citizens of our community for their continued support throughout the year.

Respectfully Submitted,
James K. Eldridge
Chief of Police

Ossipee Corner Fire Department

The Members of the Department responded to 427 Emergency Calls in 2016, making it the busiest year on record. Currently there are 14 Members on the Department. The Members not only answered 427 Emergency Calls for the year, but also met for weekly Trainings or Meetings and attended various courses to continue their education in both Fire and EMS.

Medical Aids: 221

Station Coverage: 8

The Department responded Mutual Aid to assist other Departments: 50

The Department received Mutual Aid from other Departments: 12

The Department took delivery of a new Rescue Truck this year to replace the existing one. The Truck Committee had their hands full trying to replace this truck with one that had more storage room and still fit into the station. The truck selected required that the standard overall height and length be cut slightly to fit into the bay. The Truck Committee and Company that built the truck did an excellent job to build a quality truck that not only meets our needs, but also fits into our station. The new truck is slated for a fifteen to twenty year replacement.

The Department completed the process of replacing our air packs. This was a large expense that took several years to complete. The new packs will have a replacement plan of fifteen years.

A considerable amount of time was not only spent on the regular inspections for wood, oil, propane, and place of assembly, but also for several new businesses. The new Irving was completed early on this year and continues to be quite popular. Another large project that is still on-going is the Hannaford expansion and remodel. The over 16,000 square foot addition has given the store around 25,000 square feet of shopping area, plus returned the old area that was Rite Aid back to a

separate space for another occupancy yet to be determined. The store remained open through its reformation. This required a considerable amount of time to continually check on changes as the project progressed to ensure the public's safety. Though the project seems complete, there are still a number of items being completed behind the scenes which will hopefully be done soon. The area below Sunny Villa that was Kranky Franky's has been transformed and is now opened as The Northern Grind. Another project which just started this fall is the Ossipee Airlines Distillery. This project is slated to have over an 8,000 square foot building for the distillery, then two additional 1,500 square foot aging buildings. The project is currently pouring concrete for the main building.

I would once again like to thank all of the Members of the Ossipee Corner Fire Department for their continuous commitment, unselfish acts, and family sacrifices that they make, whenever duty calls, to make the Community a safer place to live. Thank you to the Precinct Commissioners for your hard work through out the year and people of the community for your continued support of the Department.

Respectfully submitted,
Adam Riley, Chief

Center Ossipee Fire & Rescue Department

The 2016 season proved to be a busy one for members of the Center Ossipee Fire and Rescue Department. The department answered 367 calls comprised of 219 medical emergency calls and 148 fire emergency calls totaling 1,178 hours.

Call breakdown as follows:

Service Calls - 7	Motor Vehicle Accidents - 24
Smoke Investigations - 9	Mutual Aid - 32
Hazardous Material - 4	Station Coverage - 4
Fire Alarms - 35	Tree and Wire - 10
Technical Rescues - 6	Building Fires - 3
Chimney Fires - 2	Forest/Brush Fires - 1

The 2016 department roster consisted of 16 members and 4 explorers.

In 2016 the department spent 20,077 hours participating in the following tasks:

- weekly duty shifts
- monthly fire and EMS training
- outside certified training
- monthly business meetings
- monthly Mutual Aid EMS training
- Commissioners' meetings, twice a month
- weekly fire inspections and plan reviews
- weekly fire truck maintenance
- annual fire prevention programs
- annual fire truck inspections and certifications
- assisting other departments with controlled burns
- assisting the Old Home Week committee with the annual fireworks and parade
- attending workshops with New Hampshire DOT for Route 16 highway updates
- assisting AmeriCorp with civilian disaster training
- assisting with the annual Joe Skehan Ice Fishing Derby.

The Center Ossipee deputy fire wardens issued a total of 312 fire permits in 2016.

The Fire Prevention Division completed many life safety inspections: 41 gas inspections; 10 oil burner inspections; 4 new business plan reviews; 2 foster care inspections; 2 daycare inspections; 1 annual school inspection; and, 47 annual inspections.

The department continued with equipment upgrading in 2016, replacing a 1989 utility truck with a new 2016 Ford F350 utility and forestry vehicle. This purchase was made with capital reserve funding.

The department replaced older air packs with 16 new MSA G1 air packs as the result of a grant received in 2015 in the amount of \$94,477.00. The department had a 10% match taken from the new equipment reserve. The department also updated rescue rope, 5 LED hand lights, 3 complete sets of firefighter turn out gear, firefighter dress uniforms, upgraded Firehouse software to the cloud, and started the process of replacing mobile two way radios with new Motorola radios, the first to be installed in Engine Three.

In December of 2016 the department held a moment of silence for retired Fire Chief Roland Stockbridge who passed away in 2013. We ask you to continue to keep Roland's legacy and his family in your hearts and prayers.

As always, the members of the Center Ossipee Fire and Rescue Department are dedicated to providing the highest level of life safety and the preservation of property.

As Chief, I would like to thank the dedicated members of the department who give their time to accomplish our mission of life safety. I would like to thank the Precinct Fire Commissioners and Clerk for their dedicated time, as well as the members of the precinct who continue to support the department.

Respectfully submitted,
Michael D. Brownell, Chief

Annual Report

2016

The West Ossipee Fire Department received 225 Emergency Calls for Service in 2016. This is an increase of 42 from the 2015 total of 183. (+ 23%) This resulted in a total of 1,768.75 personnel hours.

Emergency Medical Services: Of these calls, 129 (57 %), were Emergency Medical Service calls. In addition to those Emergency Medical Service calls, there were 26 Motor Vehicle Collisions that involved an Emergency Medical Service component. This brings the total number of EMS related calls 155. (69%)

Fires: There were a total of 27 calls for Fire related incidents. (12%) Of these, 15 were Building Fires, 11 were for Forest, Woodland, Natural Vegetation and Debris Fires and 1 for an Off Road, Heavy Equipment Fire.

This results in a total of 182 Fire and EMS related incidents for 2016. (81%)

Other Emergency Calls: The remainder of our Emergency Calls for Service include Fire Alarms, Power Lines Down, Hazardous Conditions, Propane Leaks, Water Rescues and Smoke Investigations.

Training: Members of the West Ossipee Fire Department attended a total of 1,057 hours of training during 2016. This included Fire Fighter 1, Emergency Medical Technician, Certified Air Boat Operator, Wildland / Forest Fire Certification, Fire Inspector 1 as well as required Continuing EMS Training to maintain Certification.

Work Performed: During 2016, our members performed 370.5 hours of work other than Emergency Calls and Training. This work included Apparatus Maintenance, Hose Testing, Personal Protective Clothing Testing, Building Maintenance, Gas / Oil Boiler Inspections, Place of Assembly Inspections and Issuing Fire Permits.

Department Membership: The Department Roster has 18 members. Of these 18 members, 10 are currently certified as Emergency Medical Technicians, 2 are Advanced Emergency Medical Technicians and one is a Paramedic. One member is in an EMT training Program.

I would like to thank the members of the West Ossipee Fire Department for their dedication and hard work performed during 2016, and look forward to working with them during the next year.

I would also like to thank the West Ossipee Fire Commissioner's for their support.

Respectfully

Fire Chief Carl D. Huddleston

"Smoke Detectors Save Lives"

Forest Fire Department

There were just under 700 permits to burn issued throughout the Town for 2016. Due to the lack of snow we had this past winter, the spring fire season started early in March and proved to be very dry. A fire in March in Granite was contained quickly, but not before damaging an out building. A fire in April at the base of Mount Whittier was also contained quickly. Crews also responded to a fire in April in Brookfield. This fire was contained to approximately 48 acres and crews spent several days to fully extinguish it. Fortunately these fires did not burn in too deep since the snow had just melted. Later in August, crews responded to a call on the back side of White Pond. Again, crews had a quick knock down, but had extensive time the next day to dig out all the areas that this fire burned down into the duff. The dry weather continued through the fall, resulting in a drought in this area. Crews responded to a number of other smaller fires throughout town. Crews also responded to assist on fires in a number of area towns. Causes ranged from illegal burning, disposal of wood stove ashes, power lines, disposal of smoking material, and motorized machinery. Most of these fires were caused by human error and could have been prevented.

The Green Mountain Fire Tower was renovated this year. This tower sits atop Green Mountain and is the Primary Tower that looks into our area. This project was completed by the State and was a large project to complete. The tower now has a new cab on top of it and new supports so it should last a long time.

Law Brochures are available at the Town Hall. Further information on the laws can be found through the Department of Resources and Economic Development, Division of Forest and Lands at www.nhdf.org.

Please remember that if the ground is not completely covered with snow at least within a 100 foot radius around any brush pile to be burned, then a fire permit is needed. When in question call and ask. If you wish to burn without snow cover, please call the Fire Department in your Precinct. The Department numbers are listed below. Please only leave a message at one Department. These calls are returned by call fire/rescue personnel that are answering emergency calls on a daily basis, so it is recommended to call at least one day before the day that you wish to burn so there is adequate time for your call to be returned and for someone to issue the permit.

CarePlus Ambulance Service, Inc.

CarePlus Ambulance Service, Inc / North Conway Ambulance Service is pleased to continue as the Ambulance provider for the Town of Ossipee. We are proud of the dedicated EMT's and Paramedics who provide ambulance services for you twenty-four hours a day.

Working with area towns for regional coverage has been proven to provide additional coverage and services for the community. In 2016 we introduced a new Type II Transit Ambulance into our coverage and we continue to work closely with local Police and Fire to provide the best possible services for the town.

In Ossipee, CarePlus responded to 667 requests for ambulance services. These requests include:

44.2% ALS Provided - Advanced Life Support Care

31% BLS Provided - Basic Life Support Care

24.8% No Transport - No Transport Provided/Standby

As we head into 2017, CarePlus Ambulance / North Conway Ambulance Service will be setting up various Blood Pressure clinics throughout the Town and offering a Hands Only CPR program for people interested. We are proud to be your Ambulance provider and will continue to provide the best EMS coverage for the people of Ossipee.

Respectfully submitted,
Eric Damon
President

Report of the Superintendent of Schools

After several years of waiting, the reauthorization of the Elementary and Secondary Education Act, the Every Student Succeeds Act (ESSA), was passed by the 114th Congress this past year. The ESSA replaces the 2002 No Child Left Behind Act (NCLB). The changes have fallen short of what many were hoping would be a return to local control. The federal government still retains broad oversight of our public schools with the major educational reform ideas contained in NCLB persisting in ESSA: (1) The States must set the academic standards; (2) States must test student achievement of these standards through their common assessments; and (3) Schools will still be held accountable for their performance through a system of measurement, ranking and reporting. As of this writing the final regulations have not been published but they will be in effect January 17, 2017.

This year a team from the New Hampshire Department of Education evaluated Effingham Elementary School, New Durham School, Ossipee Central School, and Tuftonboro Central School, for compliance with the State Standards for school accountability. Parents, teachers, and administrators discussed the schools during interviews with the team and reminded me how very proud I am of the work being done in each one of our schools. The team had praises for each school including communication with families, accessibility of teachers, broad after-school activities, systems in place to address the learning needs of a variety of students, implementation of best practices and the dedication of the staff.

The District also received recognition this year from the Department of Education for our facilities. In November, the District hosted the New Hampshire High Performance Schools Summit. At the event the Deputy Commissioner of Education, Paul Leather, presented Business Administrator, Mary Patry, with a plaque honoring the Kingswood Complex as a "pristine example of superior energy efficient, environmentally friendly and providing a superior indoor environmental quality."

The Building and Maintenance Committee has not been resting on its laurels with the completion of the energy upgrades at our elementary schools. The Committee is working to assure the schools stay in top shape and has been reviewing the data related to the improvements in energy efficiency. The District now has more than a year's worth of information demonstrating we are exceeding the energy efficiency targets originally set. "Hats off" to our building and maintenance staff who work tirelessly to keep our schools looking great and who also monitor and manage energy consumption throughout the District.

As our society changes schools must transform their practices in conjunction with these changes in order to prepare students for what they will be encountering once they graduate. The District has the task of implementing new programs, and altering some of our existing programs, to keep pace with these changes. In the fall the School Board had the opportunity to hear about the work of our guidance department and health educators, grades kindergarten through twelve, to help students resist involvement with illegal drugs, an issue that has become more pressing in recent years. It was an excellent presentation, and I encourage all who are interested in what the School District is doing in this area to view the video of November's School Board meeting. I am sure you will be impressed.

A high quality school board and staff are the most critical elements of a strong school system. We are so fortunate in this regard. Our support staff, teachers and administrators are outstanding. Our SAU staff is excellent and incredibly hard working, and the GWRSD School Board continues to be a model for others in the State. The support of the citizens of the Governor Wentworth Regional School District has remained constant over the years and is never taken for granted. Thank you to all!

Respectfully submitted,
Kathleen Cuddy-Egbert

Notes

**State of New Hampshire
County of Carroll, Town of Ossipee
2017 Town Warrant**

To the inhabitants of the Town of Ossipee in the County of Carroll, State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ossipee Town Hall, 55 Main Street, Center Ossipee, New Hampshire on Tuesday, March 14, 2017 beginning at ten o'clock in the forenoon (10:00 a.m.) on said day to act on the following Articles, the polls to remain open until seven o'clock in the evening (7:00 p.m.)

Article #1 To elect all necessary Town Officers for the ensuing year as follows: to choose one (1) Selectman for a term of three (3) years; one (1) Trustee of Trust Funds for a term of three (3) years; one (1) Cemetery Trustee for a term of three (3) years; two (2) Library Trustees for a term of three (3) years; two (2) Budget Committee Members for a term of three (3) years; one (1) Budget Committee Member for a term of two (2) years; two (2) Planning Board Members for a term of three (3) years; two (2) Zoning Board of Adjustment Members for a term of three (3) years. (Majority vote required)

Article #2 Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town Zoning Ordinance as follows: Amendment allows for an Accessory Dwelling Unit on residential property in accordance with RSA 671:71, et seq., and provides regulations governing its construction and occupation? The Planning Board recommends this article by a vote of 5 members, with one abstaining. (Majority vote required)

Article #3 Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town Zoning Ordinance as follows: Amendment revises Section 9.6 to provide that if an industrial use is discontinued for two (2) years, said use shall be deemed abandoned. The Planning Board unanimously recommends this article. (Majority vote required)

Article #4 Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town Zoning Ordinance as follows: Amendment revises Section 4.2 to increase to 2 years (from 1 year) the time for repairing or replacing an uninhabitable building. The Planning Board unanimously recommends this article. (Majority vote required)

Article #5 Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town Zoning Ordinance as follows: Amendment revises Section 4.3 to clarify height restrictions for both residential and nonresidential buildings. The Planning Board unanimously recommends this article. (Majority vote required)

Article #6 Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town Zoning Ordinance as follows: Amendment rewrites the second sentence in Section 4.4(a) to specify that an accessory structure on a parcel that is used for as a dwelling must comply with regulations pertaining thereto. The Planning Board unanimously recommends this article. (Majority vote required)

Article #7 Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town Zoning Ordinance as follows: Amendment revises Section 9.5 to increase to 2 years (from 1 year) the time that an approval for an industrial use is valid, after which the approval is null and void. The Planning Board unanimously recommends this article. (Majority vote required)

Article #8 By Petition. To see if the Town will vote to amend Article 3.2 Zoning Map of the Ossipee Zoning Ordinance to change the zoning classification of Tax Map 8, Lot 22 from Village District to Roadside Commercial District. The Planning Board does not recommend this amendment by a vote of 1 to 5. (Majority vote required)

Article #9 By Petition. Are you in favor of adoption of RSA 674:71, RSA 674:72 and RSA 674:73, the Accessory Dwelling Units (ADU). RSA 674 shall be effective June 1, 2017. The ADUs shall comply with all sections of the Ossipee Zoning Ordinance. The Planning Board does not recommend this amendment by a vote of 1 to 4. (Majority vote required)

You are notified to meet at the Town Hall in Center Ossipee, in said Town of Ossipee on the second Wednesday, March 15, 2017 at 6:30 o'clock in the evening (6:30 p.m.) to act on the following articles:

Article #10 To see if the Town will vote to raise and appropriate the Budget Committee recommended sum of five million six hundred fifty thousand one hundred thirty-eight dollars (\$5,650,138) for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. (Recommended by Budget Committee 8-0) (Amount recommended by the Selectmen is five million six hundred forty-eight thousand seven hundred ninety-six dollars (\$5,648,796) by a vote of 3-0) (Majority vote required)

Article #11 To see if the Town will vote to raise and appropriate the sum of three hundred thousand dollars (\$300,000) for the purpose of repair and improvements of Town roads. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #12 To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) to be added to the Highway Equipment Capital Reserve Fund previously established. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #13 To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) for the purpose of Town building improvements (Town Hall, Freight House, Highway Garage, Library & Police Station). (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #14 To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be added to the Bridge Repair and/or Replacement Expendable Trust Fund previously established. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #15 To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of acquiring a Town Beach on Ossipee Lake and to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in this fund and to appoint the Selectmen as agents to expend. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #16 To see if the Town will vote to raise and appropriate the sum of forty thousand eight hundred sixty dollars (\$40,860) for the purpose of purchasing one new police cruiser and equipment. This sum to come from the Town's unreserved fund balance (surplus) and no amount to be raised from taxation. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #17 To see if the Town will vote to raise and appropriate the sum of forty-six thousand five hundred dollars (\$46,500) for the purpose of purchasing a new dispatch computer system and software for the Police Department cruisers. This sum to come from the Town's unreserved fund balance (surplus) and no amount to be raised from taxation. (Recommended by the Selectmen 3-0) (Recommended by the Budget Committee 8-0) (Majority vote required)

Article #18 To see if the Town will vote to raise and appropriate the sum of fifty-nine thousand two hundred ninety dollars (\$59,290) for the purpose of paying the Ossipee Water System's bond payment for one (1) year. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #19 To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be added to the Revaluation Capital Reserve Account previously established for the purpose of a complete revaluation of the Town in the year 2020. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #20 To see if the Town will vote to raise and appropriate the sum of eighteen thousand dollars (\$18,000) for the purpose of upgrading the server and computer equipment at Town Hall. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #21 To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Benefit Pay Expendable Trust Fund previously established. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #22 To see if the Town will vote to raise and appropriate the sum of twenty-six thousand dollars (\$26,000) to be added to the Invasive Species Control Fund previously established for the purpose of preventing and treating milfoil in Ossipee Lake. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #23 To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and AFSCME Local #534 which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year
2017

Estimated Increase
\$13,432

and further to raise and appropriate the sum of thirteen thousand four hundred thirty-two dollars (\$13,432) for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #24 Shall the Town, if article 23 is defeated, authorize the governing body to call one special meeting, at its option, to address article cost items only? (Majority vote required)

Article #25 To see if the Town will vote to appoint the Selectmen as agents to expend from the Ossipee Town Water Capital Reserve Fund previously established. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #26 To see if the Town will vote to appoint the Selectmen as agents to expend from the Ossipee Town Sewer Capital Reserve Fund previously established. (Recommended by Selectmen 3-0) (Recommended by Budget Committee 8-0) (Majority vote required)

Article #27 To see if the Town will vote to accept the donation of a build-out study from the Dan Hole Pond Watershed Trust to be used for informational purposes by various Town Departments, Boards and Commissions including but not limited to the updating of the Town's Master Plan. (Majority vote required)

Article #28 To hear reports of agents, auditors, committees, or officers thereof.

Given under our hands and seal this 22nd day of February, 2017.

Town of Ossipee
By its Board of Selectmen:
