Looking for something to do as a family?

The past few weeks have been difficult for many children and families. We're not sure when things will get back to "normal", but we can use this time to strengthen our bonds as a family and community.

To help pass the time and provide a little fun we have put together a nature scavenger hunt. It is part treasure hunt, part guided adventure and part competition with you and your family.

**Take pictures of you and your family completing the scavenger hunt and send them to us We'll post some of our favorites! Send pictures to tjeldridge@ossipee.org.**

**Can you?**

- Have a picnic at home with your family
- Take a bike ride, walk, or hike.
- Have a movie night at home.
- Watch the sun rise.
- Watch a sunset.
- Collect 10 acorns.
- Read a comic book, book, or magazine
- Find a river, stream, pond, or lake.
- Locate, identify, and photograph three species of plants.
- Help cook your favorite meal.
- Go camping in your back yard.
- Draw a picture of your favorite place (where is it)
- Find 3 different animals (what were they)
- Capture a photo of two different birds and identify them.
- Find something outside that is your favorite color.
- Find an American Flag.
- Find a street sign with the letter “E” in it.
